

FALL INTENSIVE TEST PREP & ADMISSIONS WORKSHOPS

For US, UK, HK schools

DATES: OCT 20 - 23, 2026

- **SAT/ACT/SSAT/CAT4/MAP Mock Test & Review Workshops**

Our Mock Test & Review Workshops will each feature one full-length mock test followed by a comprehensive review session with one of our test prep specialists.

- **US Essay Drafting Workshops**

Common App Personal Statement

Our US Common App Personal Statement Workshops offer a structured approach to crafting compelling personal statements. Our admissions specialist will guide students through the nuances of the college admissions essay and assist them in brainstorming, outlining, and drafting an effective personal statement. Students can also sign up for additional drafting workshops, if needed, for an additional charge.

Supplemental Essays

Our US Supplemental Essays Workshops cover essential supplemental essay prompts, which will form a basis for students to tackle most, if not all, of their required supplemental essays. Our US admissions specialists will use a structured approach to guide students in brainstorming, outlining, and drafting effective responses to each question. Students can also sign up for additional drafting workshops, if needed, for an additional charge.

- **UK Personal Statement Drafting Workshops**

Our UK Personal Statement Workshops provide a structured approach to guiding students to writing a winning UCAS personal statement. Our UK admissions specialist will help students understand the requirements of the three key personal statement questions, then guide them to brainstorm, outline and draft effective answers. Students can also sign up for additional drafting workshops, if needed, for an additional charge.
